20a. How does the Committee accomplish its purpose?

The committee acts in an advisory capacity to the Secretary of Transportation and the Secretary's Office of Drug and Alcohol Policy and Compliance, providing recommendations and reports intended to improve the security of transmission and storage of drug testing electronic records from drug testing laboratories to Medical Review Officers. The Department established procedures for transportation workplace drug and alcohol testing programs by regulation in 1989. develop recommendations for minimum standards under which drug testing information required by DOT Regulations will be transmitted stored, and safeguarded. The duties and responsibilities are to develop recommendations for minimum standards under which drug testing information required by DOT regulations will be transmitted stored, and safeguarded.

20b. How does the Committee balance its membership?

The member represent the major stakeholders, i.e., technical/computer companies, laboratories, Medical Review Officers, trade associations, contractors or third party administrators, employers, and labor.

20c. How frequent and relevant are the Committee Meetings?

Estimated Number of Meetings per Year - 4 Estimated Total Meetings - 4

20d. Why can't the advice or information this committee provides be obtained elsewhere?

This committee is essential because the Department has statutory responsibility for implementing procedures for transportation workplace drug and alcohol programs. Advice of the committee is not available from other sources because the Department has no other committee or forum in place to provide required advice and assistance.

20e. Why is it necessary to close and/or partially closed committee meetings?
